#### Clear and Strong.

Col. Bryan gave the keynote to his canvass recently, and wrote a platform cond used into like proportions. Few Democrats to stand together on. He did it that it was likely to lessen his then are elequent and yet so many gives clear and strong reason for the own pull on the administration. en take a long, long time turing to faith that's in him and any voter of this broad land who wants to be a vania, President of the American Anti-Bos ingessoil has "teles is leap in Republican, can give no reason for not partisan organization, purposes to take cooperating with him. Hear him:

"In the brief time that I shall speak have to say upon three subjects into a His commandments. Has he heard McKinley by sending a commission to Europe to secure international bi-metallism, confessed the gold standard to be unsatisfactory. Second, the failure of bi-metallism proves that bi-metallism dent action. Third, the gold standard American people desire it, but because the policy of England, control through volume of money and improved times, it is evident that more money makes The Staunton Spectator, in flinging better times and times could be still out at Governor Tyler, speaks of him further improved and the improvement | Cieveland, in spite of seemingly in Gray.

"On the trust question I suggest the following propositions for your consideration: First, the trust is a menace to the welfare of the people of the United | Col. Bryan. Nobody with the slight-States because it creates a monopoly est political knowledge has shown any and gives to the few in control of the monopoly most unlimited power over the lives and happiness of consumers, employes and producers of raw material. Second, the President appoints the Attorney General and can, if he desires, secure an Attorney General who will enforce the anti-trust laws. Third, the Attorney General can recommend sufficient laws, if the present laws are insufficient. Fourth, the Attorney General can recommend an amendment to the constitution if the present constitution makes it impossible to extinguish the trusts. Fifth, the Republican party is powerless to extinguish the trusts so long as the trusts furnish the money to continue the Republican party in power.

"In the Philippine question certain fundamental principles are involved. First, there are but two sources of government-force and consent-mon archies being founded upon force, Cubans to govern themselves. Mr. republics upon consent. Second the Declaration of Independence asserts ed. Third, it the Declaration of Indeacquire title to the Philippine Islands under the absolute control of men who se "millions in it." The expenditure of meny in such a cause is bad enough, it the shedding of blood is criminal.

We have our candidate for Governor,

to American principles, and not only be given independence, but protected from outside interference while they work out their own destiny."
